Important Information:

- By completing this Site Application Form you undertake to comply with the Airlie Markets Rules. Please read them carefully as they will determine your continuing tenure as a stall holder at the Airlie Markets.
- The Market Manager will consider all Applications under the criteria laid down under section 6 of the rules. All decisions on Site Applications are final and no correspondence will be entered into.
- Unsuccessful Applications cannot resubmit, however if an applicant wishes to reapply they can do so which better addresses the criteria for the Market Manager.
- Successful Applications will be allocated a casual site or be placed on a waiting list to receive a casual site allocation. A successful application does not in any way guarantee a site, or site holder status.
- All applications remain valid for one year from date of approval.
- All successful applications are required to ensure their business practices, products and services comply with ALL relevant product, safety, health, food, business and trade legislation. Necessary Registration and Licence Certificates are to be displayed as required. All electrical equipment must have a valid tag and testing certificate. All Food/Health statutory requirements are to be adhered to. It is the responsibility of the stallholder to ensure they are fully compliant with all rules & laws.
